

Captains Report 3rd July 2018

Early days yet Summer season just started

Club Championship /Quarterly Handicap Competition

2nd Quarter just finished one or two late results not yet in.

Cumbria and Northumbria First three rounds results are in,

Teams

The A B & C prone teams have had a poor start not yet won a match, time for them to recover

An interesting result for the D team, after two matches they were laying second in their division, they lost their third match and rose to the top of their division as the team at the top lost by an even greater margin

Our two bench rest teams have yet to register their first win

Better showing in the Individual Leagues where,

Howard Temperley, Alan Rogers, Viv Clarkson, Sammy Clarkson, & Geoff White are all leading their divisions

Portslade and West Hove

After four rounds Alan Rogers & Mark Lord are leading their divisions

Lancashire Leagues

Some sad news Geoff Barlow the Lancashire Rifle Captain passed away last week after a long battle with cancer. Kevin Hindle is taking over on a temporary basis until a new volunteer can be found.
