Cumbria and Northumbria results after six rounds

Teams

The A B & C prone teams continue to struggle The D team are showing them how to do it if they keep up their current form they could take the division

Our bench rest B team have just registered their first win (time for a late comeback)

In the Individual Leagues

Howard Temperley, Alan Rogers, Viv Clarkson, Sammy Clarkson, & Geoff White held on to their positions as division leaders, and were joined by Mark Lord as he climbed back to the top of his division

Portslade and West Hove

Final results, congratulations to Mark Lord won his division without losing a match, also to runners up Margaret Gardner and David Greenhalgh who finished second in their respective divisions. Hard luck for David as he finished with the best average but lost one match to many.

Special mention for David Greenhalgh who entered the national championships at Bisley last weekend and came 3rd in two of the five competitions he entered, well done in his first major competition
