

Captains Year End Report

13th of November 2018

Club Championship

The year ended (2017) with Howard Temperley returning as club champion. One or two of the younger members are threatening his position but he keeps coming up with the goods. This makes for an interesting club championship, especially as the bench rest competition looks like becoming a permanent popular fixture among the less mobile membership

Cumbria & Northumbria Leagues

We have had quite a good year, in the Winter League Bury B made up of Stuart McArthur, Allan Child, and Alan Rogers won their division and Bury C, made up of Mark Lord, Malcolm Hunt and John Wilding came second in their division. Howard Temperley, Mark Lord and Sammy Clarkson all won medals in their individual divisions. Sammy Clarkson becoming Bury's first ever medal winner at Bench rest

In the Summer League, Howard Temperley, Alan Rogers, Mark Lord, Viv Clarkson, Peter Francis, Geoff White, and Derek Manley, all won individual medals which was just as well because none of the six teams won anything
But over all quite a good haul.

Portslade League

The only success was Mark Lord winning his division

Preston & District Shoulder to Shoulder League

In the shoulder to shoulder league the only hi spot after 12 matches were the pie and pee's so we will not go into any of the results but I think everyone enjoyed themselves

I would like to thank Mark Lord and Sammy Clarkson for their help in running the competitions, I am hoping that Mark Lord will be taking over as captain next year as I am hoping to retire and do some shooting
