

Captains Report 1st October 2019

Club Championship 2019

Quarterly Handicap Competition (Prone)

The 3rd Quarter finished yesterday couple of results yet to come in from the usual last minute shooters. The 4th quarter just starting promises to be very interesting in deciding the club champion it's very close.

Cumbria and Northumbria

Final Scores just in. Prone Rifle. Gold medals for Alan Rogers and John Wilding, who won their divisions, Margaret Gardner was second in her division taking silver. All the teams struggled in their divisions so no medals there.

Better results in the bench rest leagues where the A Team of Sammy Clarkson, John Wilding, and Phill Shaw, won their division, in the individuals Jim Pollitt, topped his division and Derick Manley was second.

I would like to thank Sammy Clarkson for all his help in running the benchrest leagues.

Expecting the stickers for the winter league any day now.

Portslade and West Hove

Winter league starts end of October.

So with the winter season not yet started anyone with time on their hands who can think of any improvements to the club, just speak up and I am sure that the committee will do all they can to implement their wishes.
